Mr. J. Patrick Coyne
Executive Secretary
The President's Foreign
Intelligence Advisory Board
Washington, D. C.

Dear Pat:

I believe the attached memorandum from Howard Osborn to me regarding some of the requests made by the Board in connection with the [] is self-explanatory.

As you can see, these inquiries involve a great deal more than the intelligence aspects of the matter and these things seem to come together in Defense at the Office of the Deputy Assistant Secretary for Manpower. Therefore, you may wish to ask Mr. Skallerup directly for the desired information. If we can be of any assistance, let me know.

Sincerely,

/s/ John A. Bross
